

Sign Up for the World Language Program Today!

The World Language Program at Irving School is an introduction to different languages and cultures. In these classes, students will learn basic communication vocabulary. The relaxed class environment will help students overcome their apprehension to speak a foreign language. Language skills will grow over years of instruction.

WLP is completely independent, funded solely by tuition paid by families of participating children. World Languages are sponsored by the PTO, endorsed by the School Board, and encouraged by the staff and principal of Irving School.

WLP will run for 12 weeks from January 28, 2019 through April 26, 2019. The fee for WLP will be \$130 for one child, \$240 for 2 children or 2 languages. Scholarships are available.

Available Language Classes!

Lunch/Recess
