You will be able to find the online registration link on the Irving PTO website: <https://irvingpto.com/eagle-extras/>. If you are unable to use the online registration system, please let us know via email and we will make other arrangements.

- ❖ **Late registrations will not be accepted.** The parent volunteers need time to assemble class rosters for the on-site coordinators, teachers, instructors, and office staff.

- ❖ Space is limited and classes are filled on a first come first serve basis. Please register early to reserve your child's spot in the class(es). We will do our best to accommodate all interested.
- ❖ Most classes must meet their minimum enrollments to run so if you have a class you really want to run, please have your child tell their friends!
- ❖ Classes may be cancelled due to inclement weather. Please be advised that efforts will be made to make up the missed time when feasible. Refunds will not be issued.
- ❖ We are not able to accommodate changes in the schedule after the registration period is over.
- ❖ For those children enrolled in Eagle Extras, she or he will be directed to go to the auditorium at the end of the school day (you do not need to come to the school to take them to this class) where they will wait (with supervision) to be picked up by their Eagle Extras teacher. Kids enrolled in Hephzibah can participate and just need to check in with Hephzibah before going to the auditorium (we help the Kindergartners with this the first week). Kids enrolled in OP Friends School after-school program can also participate in Eagle Extras (OPFS will pick them up after their Eagle Extras class). For kids in other after school programs, you need to check with those programs directly to see if they can make accommodations to pick up your child once their Eagle Extras class is over.
- ❖ Scholarships are available. If your child qualifies for free/reduced lunch you are eligible for one scholarship per session per child. The application for this scholarship is part of the registration process . If your child does not currently qualify for free or reduced lunch, but you have a financial hardship making it difficult to pay for a class, please reach out to Susan Mura or John Hodge as there are additional funds available.
